RE: Placing Round 25 KENO Grants on the City Council/ County Boards Agenda
for Approval

The KENO Human Services Prevention Fund received \$79,334; and had \$41,650 available to distribute. On August 11, 2006 the JBC reviewed, approved and is now forwarding the recommendations. Upon your approval we will send contracts to the following agencies:

1.	Asian Community & Cultural Center	\$ 7,500
2.	Lincoln Action Program	\$ 7,500
3.	LCAD—SAAC Conference	\$ 7,500
4.	Mental Health Foundation	\$ 1,200
5.	LMEP/SCIP Program	\$ 7,500
6.	Milkworks	\$ 5,000
7.	Pacific Pals, Inc.	\$ 3,950
8.	PFLAG	<u>\$ 1,500</u>
		\$41,650

A brief program description of each has been attached.

REQUESTED ACTION: Motion to approve these eight agency contracts as forwarded; in the total amount of \$41,650

KENO PROJECT SUMMARIES
Round 25

July 2006

#1 Asian Community and Cultural Center

To provide culturally appropriate behavioral health Services and nutrition; and reduce social isolation among 125 Senior Asian New Americans.

#2 Lincoln Action Program

Certified trainers will teach 100 New American and low income citizens about fundamentals of finance to better learn how to become self-sufficient.

#3 LCAD for SAAC

“Annual Substance Abuse Action Coalition Conference” for professionals who work in prevention arena (est.250). Cover costs of speakers, CEU workshop stipends, supplies, rentals, etc.

#4 Lincoln Lancaster Mental Health Foundation

To purchase materials for services to persons and families with dual diagnosis-mental health.

#5 LMEP/SCIP Program

To work with approximately 4t SCIP parents about the trends of substance abuse and drug use among Lincoln youth; providing data and strategies on how to cope.

#6 Milk Works

Collaborative project to assist low income mothers and their babies at People's Health Center. Twelve hundred babies are born to low income mothers.

#7 Pacific Pals, Inc.

To provide a summer day camp for under privileged children grades 6-8. (2/4 week sessions at UNL).

#8 PFLAG-Parents, Families and Friends of Lesbians and Gays

To find or develop a professional training module for behavior health and juvenile justice provides to better identify gay and lesbian youth in your system; and then be prepared to assist them in accessing local resources and keeping them safe.
